Export Recognition Award from CAPEXIL for 2008-09, 2009-2010 and 2011-12. We are one of the few selected companies in India to have received this award three times in recognition of our performance.

We hold the "India book of records" title for setting a new national record in 2011 by hand crafting a "Michael Jackson granite statue from single rock". As a tribute from all the MJ fans across the world, the team of craftsmen in RC Golden Granites factory, hand sculpted a full size Michael Jackson Statue in his signature dance move from a SINGLE BLACK GRANITE ROCK (Height - 12ft, Width- 5.5ft, Depth- 4ft). The statue weighs 3.5 tons and it took 45 days of conscientious effort round the clock by the highly experienced granite monument craftsmen of RC Golden Granites.

We received an special recognition from W.H.O (World Health Organisation) & Ministry of Health, Government of India for our contribution to the government sponsored anti-tobacco campaign through our granite craft. Our monolith granite statue portraying the fate of a person who falls victim to his smoking habit was donated to Nirman Bhavan, New Delhi.

Mr R.Chandrasekaran, MD RC Golden Granites with Mr. Andrew T.Simkin, Ex-US Consul General Chennai who appreciated the Michael Jackson Granite Statue at our stall in the IMMA Stone Fair held between Feb 18-20 2011 at Chennai Trade Center.
